

## AMENDMENT TO THE CLAIMS

The following listing of claims will replace all prior versions, and listing, of claims in the application.

### Listing of Claims:

Claim 1 (twice amended)     A blister pack comprising an embossed blister having  
indicia thereon and structured to mold said indicia onto a solid dosage form formed  
within said embossed blister, wherein said blister comprises a blister base film thickness  
greater than blister side thickness and is formed from a laminated film [~~comprising~~  
~~forming a blister~~] by advancing a pin having a face with an indicia thereon in transversal  
direction relative to the film plane towards and into engagement with a platen bearing an  
indicia forming die thereon and located on the opposite side of said film wherein said  
advancing movement of the pin controllably stretches the film around the blister in a  
manner minimizing stretching of the film located at the base of the blister.
